Dear Eli El Chantiry,

I am writing to acknowledge receipt of and sincerely thank you for the contribution of \$1,000.00 we received from the Ottawa Police Services Board to assist with the program for the CAPB 22nd Annual Conference that is taking place in Regina, Saskatchewan from August 17th – 20th, 2011.

We are including recognition of your contribution in our conference program, on signage at the conference and in the conference report that is printed and distributed every Fall.

Your contribution allows us to fulfill our goal of offering a program to our delegates that is affordable, provides rich dialogue, is educational and showcases the best of the hot city. With costs increasing each year, we welcome our members; attendance at the conference and as well as their financial contributions.

You are also delivering a message to people on a national level that your organization is a champion of excellence for civilian oversight of municipal police in Canada and it believes in the values of integrity, transparency and accountability.

On behalf of the board and membership, I extend our warmest gratitude for your contribution and reassure you that CAPB will work diligently to be a significant and credible participant in all discussions related to policing, crime and justice at the national level. With your support we will continue to raise our public profile as the body that promotes and represents our members – the Canadian police service boards and commissions.

Sincerely yours,

Ivan Court, President
