The Condominium responsible for your property has applied to the City of Ottawa for a protective plumbing grant to offset the cost of installing devices to prevent sewer back-ups.

Before the Condominium can proceed on your behalf they must first obtain your permission in writing. Please complete this form and return it to your Condominium Representative so that it can be attached to the application submitted by the Condominium. If you have any further questions about your application or the completion of the work please contact your Representative.
