

Green Bins in Schools (GBS) Program Application

This program delivers an organics collection program in local schools by using the residential curbside waste collection service. This is offered at **no** additional cost to the school. The program offers an organic waste diversion solution and promotes the importance of waste diversion and recycling both at school and at home. The same trucks that collect from surrounding homes will collect the Green bins at your school. Your collection day can be found at <http://ottawa.ca/en/residents/garbage-and-recycling/garbage-collection/collection-calendar>

What the GBS program provides your school*

- Collection of Green Bin organics
- Green Bins and countertop containers
- Green Bin and recycling signage
- Visit from solid waste inspector to review set-out and related requirements

What is expected of participating schools

- Green Bins must be set-out at the curb before 7 a.m. on the day of collection.
- Emptied Green Bins must be returned to school property by 10 p.m. on collection day
- Materials placed in the Green Bin must comply with Schedule L of City of Ottawa Bylaw 2012-370.
- Schools will keep track of the number of green bins set out at the curb.
- Schools will participate as requested in occasional evaluation surveys.
- Schools will provide information as requested on current waste collection (e.g. size of bins and frequency of collection for black box, blue box, garbage collection).
- As requested, schools will provide recent school waste audit information, if available.
